

Diane D. Knott

I made my first quilt in 1997 while expecting my first child. In 2012, and many quilts later, I created the online pattern company and website called Butterfly Threads Quilting. I have published over a dozen patterns, created three templates, been featured in Quilt Magazine, Primitive Quilts and Patchwork, Fons and Porter Easy Quilts, and the American Patchwork and Quilting Calendar. I am also a regular contributing writer to the Craftsy Quilting Blog. My first book Scrap Quilt Secrets was published by C&T in 2016 and my next book by C&T, Strip Quilt Secrets will be published in late 2018.

While I love designing, sewing and writing, my favorite thing about quilting is teaching and sharing my love of quilting with the amazing quilters I get to meet! I look forward to meeting you and your group one day soon.
