

Diane D. Knott

I made my first quilt in 1997 while expecting my first child. In 2012, and many quilts later, I created the online pattern company and website called Butterfly Threads Quilting. I have published over a dozen patterns, created three templates, been featured in Quilt Magazine, Primitive Quilts and Patchwork, Fons and Porter Easy Quilts, and the American Patchwork and Quilting Calendar. I was also a regular content writer for the Craftsy Quilting Blog for 5 years. My two books published by C&T, Scrap Quilt Secrets in 2016 and Strip Quilt Secrets in 2018.

While I love designing, sewing and writing, my favorite thing about quilting is teaching and sharing my love of quilting with the amazing quilters I get to meet! I look forward to meeting you and your group one day soon.
